

WHEN PIGS FLY

Small Group Time:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with key questions, add any optional Scriptures and questions if needed, and then wrap up by deciding on your next steps.

Main Idea:

We throw around the word “miracle” a lot. An underdog team pulls off the upset. A new diet pill helps you lose weight without even trying. A flight with engine trouble lands safely. But what about real miracles, when the truly impossible becomes reality? Do we really believe that can happen? For many of us, if we’re honest, the answer is “no.” We’d just as soon expect to see a pig fly. Around Jesus, though, it happened a lot. Eyesight to the blind. Diseases healed. The dead raised to life. Miracles happen. They still happen today. If we open our eyes, we might actually see the miracles God is doing around us, and if we have a little faith, we might even see one in our own lives.

Key Questions:

1. Is it easy or hard for you to believe God still heals? How have you come to think this way?
2. When is the last time you asked God for a miracle? What happened? What did you think or feel?
3. Read **John 14:12**. What do you do with Jesus’ statement here? What do you think He meant by it?
4. Why do you think it can be so difficult to ask for a miracle for yourself or people you’re close to?
5. What is the state of your faith? How is it healthy? How can it grow?
6. Ben said our faith should be based on who God is not on what He does. Describe what you believe about who God is.
7. Have you ever experienced a miracle? What happened?
8. What physical, spiritual, or emotional miracle are you trusting God with? Share it with the group and pray.
