

# WHEN PIGS FLY

## **Small Group Time:**

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with key questions, add any optional Scriptures and questions if needed, and then wrap up by deciding on your next steps.

## **Main Idea:**

We throw around the word “miracle” a lot. An underdog team pulls off the upset. A new diet pill helps you lose weight without even trying. A flight with engine trouble lands safely. But what about real miracles, when the truly impossible becomes reality? Do we really believe that can happen? For many of us, if we’re honest, the answer is “no.” We’d just as soon expect to see a pig fly. Around Jesus, though, it happened a lot. Eyesight to the blind. Diseases healed. The dead raised to life. Miracles happen. They still happen today. If we open our eyes, we might actually see the miracles God is doing around us, and if we have a little faith, we might even see one in our own lives.

## **Key Questions:**

1. What kind of financial situation did you grow up in: often tight, usually enough, or always plenty?
2. If just one material thing could make your life easier or better, what would it be?
3. List some of your needs and some of your wants. What is the main difference between the two?
4. What are some reasons you think God would want to miraculously meet needs in your life?
5. How have you seen God guide you to a place where He also provided for you?
6. Read **2 Corinthians 9:10-11**. Have you ever seen God multiply your generosity? What happened?
7. Share a story of when you experienced a miracle of provision. How were you changed by it?
8. How can God use you as a miracle of provision for someone else? Does fear ever get in the way of that? How?
